3M™ Marine Finishing Systems

Innovative solutions for every finishing application

Boat Reconditioning and Maintenance Products

3M™ Marine Fibreglass Restorer and Wax

One Step Process

Designed to remove HEAVY oxidation, chalking, fading, minor scratches, rust and exhaust stains; plus provide protection on fibreglass/ gelcoat. Unique formulation combines a rubbing compound with a special blend of waxes which restore shine and protect in one application. Available in liquid and paste versions.

Product Ref.	Contents
09005	500ml (Liquid)
09006	1l (Liquid)
09007	3,78l (Liquid)
09012	510g (Paste)

3M™ Marine Fibreglass Cleaner and Wax

One Step Process

Designed to remove LIGHT to MEDIUM oxidation, clean, polish and protect fibreglass/gelcoat. Unique liquid formulation combines a compound with a special blend of waxes which restore shine and protect in one application.

Product Ref.	Contents
09010	1l (Liquid)

3M™ Marine Metal Restorer and Polish

Designed to restore and polish stainless steel, brass, bronze, copper, chrome, aluminum and other marine metals by removing surface rust, oxidation, corrosion and tarnish. Restores lustre.

Product Ref.	Contents
09018	150g (Paste)
09019	500g (Paste)

3M™ Marine Protective Liquid Wax

Designed to provide high gloss and protect fibreglass/gelcoat, marine topside paints, painted aluminum and marine metal parts. A special formulation which uses reactive chemistry and actually bonds to the boats surface to provide a durable protective surface. Easy on/exceptionally easy off formula which also retards ultraviolet (U.V.) light damage.

09027	1l (Liquid)

Boat Reconditioning and Maintenance Products

3M™ Marine Ultra Performance Paste Wax

Contains the unique 3M polymer technology which provides the durability of an acrylic, with the soil release and water beading properties of a fluoropolymer and silicone. This innovative new product will leave a protective high gloss finish on marine fiberglass gelcoat, marine topside paints, painted aluminum and metal parts. The easy-on/easy-off formulation will save time and effort and leave your boat with a long lasting protection that retards ultraviolet (U.V.) light damage.

Product Ref.	Size
09030	269g

3M™ Marine Clean and Shine

3M Marine Clean and Shine is a quick and easy, "spray on/wipe off" product that recaptures that "just waxed" look and feel. Excellent for use on wet or dry surfaces; no water needed! May also be used to enhance the shine of your boats fibreglass gelcoat, marine topside paint, painted aluminum or metal parts. Simply spray on sections that are still wet after washing and rinsing, and revitalize the finish by wiping the surface dry.

One Step Process

Product Ref.	Size
09033	444ml

3M™ Marine Superbuff™ Pad

A 150mm diameter buffing pad with a wool pile on both sides of the pad. The 3M Marine Superbuff Pad allows the do-it-yourselfer to recondition and maintain their boat, using their drill to obtain a high-gloss finish like the professional who uses high-speed tools. The unique double face construction allows both sides of the pad to be used. It has a lightweight support pad built into each pad, thus eliminating the need for heavy rubber back-up pads. Designed to fit any standard electric drill with its arbor and hex-head nut.

Product Ref.	Size
09038	

3M™ Acryl-Marine Putty — White

Designed specifically for the boat repair market, this putty is designed for filling pinholes, scratches and other surface defects on hulls. Its white colour minimises the possibility of colour showing through the final coat as can happen when using coloured putties beneath white paint. Other advantages include easy sanding, fast drying, spreads easily, and has low shrinkage.

Product Ref.	Container Size
05662	200g

3M™ Marine Outdoor Vinyl Cleaner

One Step Process

Designed to clean, condition and protect marine vinyl and rubber components. Unique gel formula provides durable protection in exterior, as well as interior applications. Gel formula gives you better application control than liquids. A little bit goes a long way. Very good performances on inflatable boats.

Product Ref.	Contents
09023	236ml (Gel)

3M™ Marine Vinyl Cleaner and Restorer

Cleans, shines, conditions and protects vinyl, rubber and plastic surfaces. Deep cleans dirt and grime, enhances appearance. Restores natural sheen, protects surfaces. Fresh lemon scent.

Product Ref.	Contents
09029	444ml

3M™ Marine Clear Plastic Restorer

Cleans and removes fine scratches and haziness from most marine plastics. Can be used on most tinted plastics: test for suitability. For best results on polycarbonate plastic (*Lexan®, Tuffak®, etc) use by machine.

Product Ref.	Contents
09044	250ml
