

American made boat storage and handling products

Motor Boat Stands

Brownell motorboat stands feature a vertical center pipe with a 25° swivel top. The unique stacking design allows for compact storage when not in use.

- Solid steel rod construction.
- Acme thread for adjustment under load.
- Available for all sizes and designs of boats.
- Stackable for optimal storage.
- Fast set up for significant labor savings.
- CE Certified.
- Provides a safe working environment.

Add "G" to end of model number for Galvanized Stands.
Add "V" to end of model number for V-Top Stands.

Foldable Sail Boat Stands with Integrated Ladder

These heavy duty, structurally reinforced stands are designed for deeper draft boats. The integrated ladder allows workers to easily adjust the screw top.

- Thick walled center pipe for superior strength.
- Folds flat for convenient storage and transportation.
- Integrated ladder provides easy access to adjust screw top.
- Flat Top or V-Top.
- 25° swivel top.
- Solid Steel ACME threaded center rod

- 3/4" Marine Grade Plywood
- Includes Fasteners

MODEL	DIMENSIONS (in.)	DIMENSIONS (cm)
OPLY	12 x 12	30 x 30

Keel Benches

- Keel benches are quick to install and provide a wide surface area (24"/61cm) to support boat with larger and sometime hollow keels.
- We recommend one keel bench for each 20,000lbs/9,100kg of vessel weight.
- Keel benches are available in two heights BRB (28"/71cm) and BRB16 (16"/41cm).

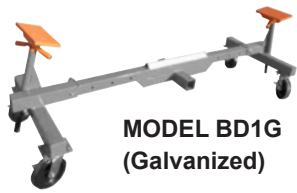

MODEL	DIMENSIONS	
	HxWxL (in.)	HxWxL (cm)
BRB16	16 x 24 x 22	41 x 51 x 56
BRB	28 x 24.5 x 30	70 x 62 x 76

Add "G" to end of model number for Galvanized Keel Benches.

Adjustable Boat Dollies

Brownell heavy duty boat dollies feature our legendary adjustable screw pads (just like our boat stands). They are designed for use in showrooms, workshops, boat shows and production facilities. Non-marking wheels with brakes and casters.

MODEL BD1G
(Galvanized)

- Most powerful boat dolly available
- Can be linked together

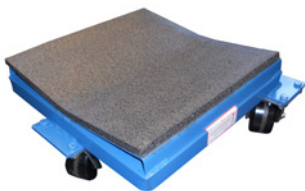

MODEL BD2

- Low profile -- 2.5" ground clearance
- 32" x 35" (81cm x 88cm) frame

MODEL	HEIGHT (in.)	HEIGHT (cm)	WIDTH (in.)	WIDTH (cm)	WT. PER PAIR
BD1	29-46	73-117	55-91	138-231	20,000lbs/9,100kg
BD2	15.5-21.5	39-55	35.5-43.5	90-110	8,000lbs./3,630kg

Add "G" to end of model number for Galvanized Boat Dollies.

Dollies

PONTOON DOLLY
MODEL PD2

- 19" x 19" x 5" / 48.25cm x 48.25cm x 13cm
- Foam padded top for maximum protection
- 2,000 lbs / 900 kg capacity per dolly

SMALL CRAFT DOLLY
MODEL SCD1

- Perfect for Personal Water Craft, dinghies and other small craft
- Easily adjustable width
- Heavy duty construction - 2,000 lbs / 900 kg capacity
